APPROVAL OF STATE ENGINEER	••
This is to certify that I have examined the foregoing applicati	
and do hereby grant the same, subject to the following limitations and	
conditions: This permit is issued subject to all existing rights of the source and is limited to what the well will produce but not to exceed 3.0 c.f.s. It is understood that this right must allow for	}
reasonable lowering of the static water level at permittees well du to other ground water development in the area. A substantial weir	e
other type of measuring device must be installed and measurements of water use kept, and a method provided, either air line or opening,	Î
for measuring depth to water. The State retains the right to regul the use of the water herein granted at any and all times.	ate '
	!
The amount of water to be appropriated shall be limited to the amount	;
which can be applied to beneficial use, and not to exceed 3.0 c.f.	,
cubic feet per second., or a yearly duty of 4.0 acre-feet per acre clirrigated.	т тапо !
Actual construction work shall begin on or before July 22, 1958	3
Proof of commencement of work shall be filed before August 22, 1958	į
Work must be prosecuted with reasonable diligence and be completed on	or
before July 22, 1959	
Proof of completion of work shall be filed before August 22, 1959	
Application of water to beneficial use shall be made on or before	
July 22, 1961 . Proof of the application of water to benefic	
use must be filed with State Engineer on or before August 22, 1961 Map Filed Aug. 8, 1957	ļ;
